[Psychosocial Risk Assessment to Identify Families of Children with Congenital Heart Disease at Risk for Non-Adherence to Medical and Neurodevelopmental Follow-Up Care](#)

[Best of the Best Abstract Prize](#)

Melanie Ehrler MSc, University Children's Hospital Zurich

[White Matter Microstructure is Altered in Patients with CHD and Associated with Executive Dysfunction from Childhood to Adulthood: A Pooled Case-Control Study](#)

HOLDING MY DEVELOPMENT IN YOUR HANDS: SUPPORTING DEVELOPMENTAL CARE FOR THE NEWBORN IN THE ICU

presented by CNOC's Cardiac Newborn Neuroprotective Network (CNNN) SIG and supported by Seattle Children's Hospital

CNOC is pleased to offer the Preconference Workshop content ***on demand*** for those who missed CNOC's 10th Annual Scientific Sessions. For only \$35, members and nonmembers alike can register for access to the three hour, two session content presented on Tuesday, November 16 (CME no longer offered for this segment).

[Register here for On-Demand Content](#)

Once registration confirmation is received via email, click the Mobile Meeting Guide link below (or type cnocmmg.org into your browser), select the Program tab, then use the purple Log In button on the bottom left. The green Available On Demand buttons will appear; click to watch recorded sessions.

Those who registered for the 10th Annual Scientific Sessions can still log into the Mobile Meeting Guide and do not need to register again for the preconference workshop.
